**Message from Coach Johnson**

Dear Campers,

As we begin to prepare for another season of girls' basketball at ZBTHS I know that summer camp is where it all begins. We need our high school players to work on their skill development in the areas of shooting, dribbling, and passing in the off-seasons. Improving your skill level requires commitment and dedication. It also demands being conditioned through workouts and strength training.

We will provide players at our 10 - 12th grade camp the opportunity to work and improve their abilities in all phases of the game. The foundation for our next season begins at summer camp.

Our program has consistently turned out NAIA, NCAA Division 1, 2 & 3 players as well as Division 1 and 2 JUCCO standouts. We strive to continue the tradition of building solid teams with outstanding student-athletes each and every season. It's highly probable we will have a former ZB or two at camp. We love to have our basketball alum in the gym whenever they come home.

As a coaching staff we are dedicated to helping you reach your potential as a basketball player no matter what grade or level you are at. It's so gratifying to the coaches when we see our players improve during the summer camp. We all look forward to working with you at summer camp and are excited to get back in the gym with you.

*Coach Johnson*
